# WAWEL CUP

## ***Together, we will create a real celebration of orienteering!***

We have a vision of an event respected in Poland and recommended by athletes from abroad. Event with tradition, looking for modern solutions at the same time. Various areas, good maps, interesting courses and excellent atmosphere. We strive to make the Wawel Cup remain and become a „holiday competition with class”. When organizing the event, we try to care for every detail. We want that every runner during Wawel Cup feels great!

Wawel Cup 2022 is a journey to another Jurassic land. Area of Żłoty Potok is characterized by a large number of different rock forms, excellent runnability and moderate elevations. We will start the competition with a demanding stage around the Olsztyn Castle and end on the field, where the finish of the World Cup was located. During our event, we plan to organize an additional run, during which you will be able to discover the secrets of the next Jurassic desert. As every year, Wawel Cup will therefore be a combination of interesting areas, attractive locations for tourists and, above all, a perfect holiday atmosphere. We hope that this year's event will provide you with an unforgettable experience!

## WELCOME TO JURA

**5.07.2022 / OSTRĘŻNIK**

As every year, during our event, there must be an opportunity to take part in Wawel Cup training. Ostrężnik is a map well-known from one of the previous editions of Wawel Cup. Terrain will provide you with a typical Jurassic area with a large number of rock formations. All orienteering runners, who are eager to run with a map, are invited to Jura on July 5!

# 1 STAGE

## UNIQUE COMPETITION

6.07.2022 / OLSZTYN CASTLE  
MIDDLE DISTANCE, MASS START

At the very beginning of the 41st Wawel Cup we have planned a real blaster! The Olsztyn Castle is a huge dose of history and tradition, and for us means a demanding stage with lots of rocks and open areas. 1 stage will be held in an unique area on a national scale. We like such combinations the most!

# 2 STAGE

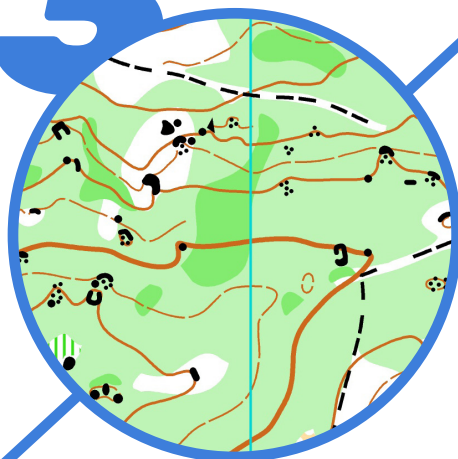

## JURASSIC CHALLENGE

7.07.2022 / SIEDLEC  
MIDDLE DISTANCE

The second stage of the 41st Wawel Cup will offer you a typical Jurassic challenge! In the forest you will find: rich contour features, excellent runnability and of course, a large number of all rock forms (rocks, stones, rock pillars). Compared to the remaining stages, there is relatively large elevation. Enjoy!

# 3 STAGE

## DEMANDING MIDDLE

8.07.2022 / SULISZOWICE  
MIDDLE DISTANCE

The location of the third stage returns to the Wawel Cup schedule after several years of break. For this day, we will prepare a new map for you, which will include rich and diverse rock forms. The runnability and visibility are both strongly impeded by dense vegetation. The demanding Jurassic stage is ahead of you!

# REAL BLASTER

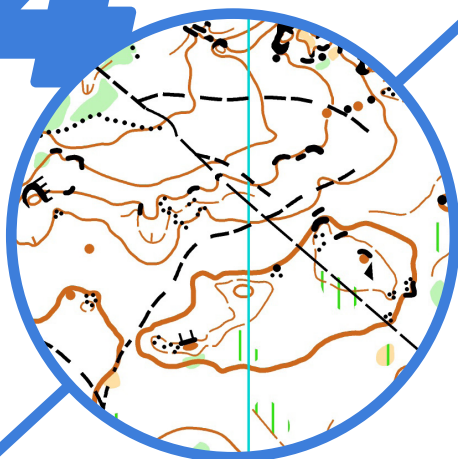

8.07.2022 / SIEDLECKA DESERT  
ADDITIONAL STAGE - SPRINT

Continuing the tradition of organizing additional races during Wawel Cup, We would like to offer you competition in another Jurassic desert. A desert challenge awaits you!

Preliminary, final A, final B – as each year, during additional event, huge dose of emotions is waiting for you! Real blaster!

## 4 STAGE

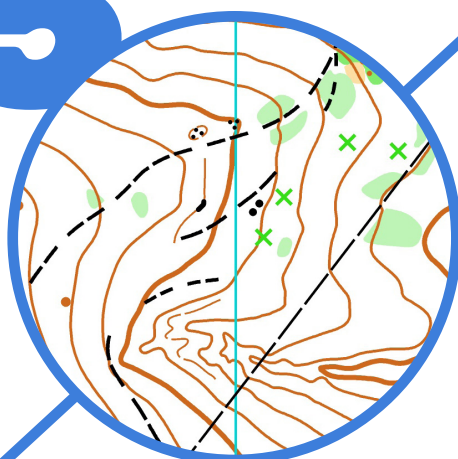

## ICONIC TERRAIN

9.07.2022 / BABSKA SKAŁA  
LONG DISTANCE (shortened)

Babska Skała is an almost iconic area, well-known from previous editions of the Wawel Cup. Moderate elevation, perfect runnability and visibility and of course terrain with rich and diverse rock forms – this is a summary of 3rd stage. Typical Jurassic stage is waiting for you!

## 5 STAGE

## EMOTIONS GUARANTEED

10.07.2022 / ŻŁOTY POTOK  
LONG DISTANCE (shortened)

As every year, the last day of the competition means a huge dose of sports emotions. Finish of 41. Wawel Cup will be located in the clearing that hosted competitors taking part in the World Cup. The terrain has excellent runnability, moderate elevation and a relatively small number of rock forms. We expect the possibility of gaining the highest speed. Good luck!
