Jaroszowiec

We'll create a real orienteering's celebration!

We have a vision of an event respected in Poland and recommended by athletes from abroad. Event with tradition but also looking for modern solutions. Different types of terrain, professional maps, interesting courses and excellent atmosphere. We strive to make the Wawel Cup remain and become a „holiday competition with class”. When organizing the event, we try to care for every detail. We want every runner to feel great during Wawel Cup.

In 2025 we return to the Jura region! This year's competition will take place in the Jaroszewiec region and the previously little-explored Wodąca Valley. The classic Jurassic terrain, with its rich relief and variable runnability, will provide you with excitement and will require fast and precise navigation.
